GENUINE PARTS WARRANTY FOR PEACE OF MIND...

The manufacturer has the highest confidence in the quality and performance of its products. Genuine Parts purchased from PNG Motors are covered under warranty for a period of 6 months or 10,000kms, whichever occurs first*. STRINGENT QUALITY STANDARDS

Because the manufacturer is a vehicle manufacturer, they are required to meet the Design Standards of many countries. As non-genuine part manufacturers only produce parts, they are not obliged to meet these standards. With Genuine Parts you can be assured of the highest standards of quality, fit and finish.
